Dated 6th July 1950

FOR MYSORE STATE

[Despatch Abstract]

G.O. No. 2664/6-7-50 Education - Industrial - Polytechnics - Levy of Capitation fees from students coming from outside the State - Discontinuance - Ordered.

Government of Madras
Education Department.

From

Sri Rajaiah D.Paul, M.A.,
Secretary to the Government of Madras.

To

The Secretary to the Government of India,
Ministry of Education, New Delhi.

Dated, Fort St.George, the 14th April 1950.

Sir,

Sub:-GOVERNMENT COLLEGES - Levy of capitation fees - Abolition.

Ref:-Your letter No.F.73-184/49-D2 dated 7th July 1949.

With reference to your letter cited, I am directed to state that in Government schools and Arts Colleges in this State there is no restriction on the admission of students coming from outside this State and such students need pay tuition fees only at the rates applicable to students of this State.

In the Government professional Colleges in this STAte (eg. Engineering, Medical Colleges), Some seats are already reserved for students coming from other states and countries. In view of this and in view of the fact that there is very great demand for seats in these colleges from students belonging to this State itself, this Government regret that no additional seats can be reserved in the Government Professional Colleges for students coming from outside. If, however, any additional seats are necessary, the matter can be considered only on a reciprocal basis.

2. Regarding the question of levying capitation fees I am to State that this Government agree to abolish thesystem of levying such fees from students coming from outside this State, with effect from the next academic year.

Yours faithfully,

For Secretary to Government.
